## *Message from Coach Kiki*

Aloha to all,

On May 24-25, 1975 the Coach Sakamoto Invitational Swim Meet was held for the first time on the island of Maui. Since then, Maui Swim Club has continued to host this wonderful event with lots of help from our community and supporters. Our goal is to perpetuate the extraordinary legacy of legendary Coach Soichi Sakamoto. He was a Puunene school teacher who revolutionized the swimming world with his innovative approach to training young athletes to achieve their best both in and out of the water. He didn't use the fancy equipment available today. Instead, he trained island keiki in an irrigation ditch swimming against the current to build stamina and speed. He had a dream and with heart, hard work, and dedication, his dream was realized by transforming island kids who trained in the irrigation ditch into Olympic champions. In doing so he forged the way for future generations to realize what can be possible.

We are forever grateful for Coach Sakamoto's example. Being a man of great faith in God, he persevered through much difficulty to positively affect those around him and model what it means to give selflessly to another. That in itself is the true legacy.

We are proud to be able to host the 50th Annual Coach Soichi Sakamoto Invitational Swim Meet this year. It's quite a milestone for our club and our supporters.

We would like to thank our devoted community, along with family and friends, for making this meet possible. Behind the scenes, you are perpetuating the legacy.

In addition, we would like to thank all the clubs, coaches, and especially the athletes, along with Maui Age Group Swim Association, and the Department of Parks and Recreation.

And lastly, to all our Maui Swim Club volunteers who have worked tirelessly to support this event over the years, thank you for your heart and service.

Mahalo - Coach Kiki
